Any learning disabilities or weaknesses in school?No

Academic Strengths (i.e. math, reading): Math, English, Logical Reasoning, Foreign Languages

Career goals: I am an attorney and am now a partner at my firm. I would like to grow our business and bring in more clients with the goal of eventually hiring a few more lawyers. I would like to take our firm from being small firm to a medium size firm.

Personal Goals: My life has been very career oriented to this point, and now I would like to begin focusing on starting a family and buying a home.

What have you accomplished so far? I graduated from college with distinction in 2006, graduated from law school in the top 19% of the class in 2009 and became a partner at my firm the same year.

What are some awards/achievements you are proud of? Same as above.

**Personality**

Hobbies: I love watching sports-particularly football and basketball. I' m huge Dallas Cowboys fan. I love film and TV and learning about the industry. I enjoy taking dance classes, hiking, working out and being active. I love bowling and playing pool and doing almost anything competitive. I like to cook and clean and organized. I enjoy shopping and fashion.

Artistic Abilities: In high school, I played the clarinet and took vocal lessons.

Sports/Athletics: I was a cheerleader for 8 years (throughout middle and high school) and was captain of my cheerleading squad for 3 years in high school. I made UCA All Star 2 years in a row.

Favorite subject in school: Throughout school, I enjoyed foreign language courses most. I took a total of 4 years of Latin and 4.5 years of French. I still enjoy learning languages and am working on learning Spanish and Armenian.

Favorite Books: Although my favorite books have varied over the years, I would say that the Harry Potter Series is among my favorites.

Favorite Movies: My favorite movies include True Romance (and almost anything Stanley Kubrick), the Harry Potter Series and anything Disney.

Favorite Types of Exercise: I enjoy hiking, taking dance classes, and going to the gym.

How would you describe yourself? I love to laugh and try not to take things too seriously. I' m easy going but also goal oriented and motivated. I try to live a God-centered lifestyle and love others in a way that would reflect my Christian upbringing. I am independent and have been on my own for 10 years now. I' m hard worker, but I like to have fun too.

Nick Name:Emily

What would you say is your best personality trait? My sense of humor. I love to make jokes and keep things fun , and I love to laugh.

What is your most unique quality? I am very independent and self-sufficient. I always been able to take care of myself and live on my own. I moved from Pennsylvania to California without knowing anybody and have now made a life for myself here.

Describe yourself as a child: As a child, I was a total girly girl. I had about a million Barbies, love to read and play outside. I had a lot of imagination and was very fast learner. I was put into the gifted program at my school in 1st grade. My mom has always been my best friend and we always have taken care of each other.

What did your parents teach you to value? God, family, and friendship.

Is there a person alive or dead whom you admire and why? My mom, because she always saw to it that my brother and I had everything we would ever need even if she had to go without. She taught me to be caring and loving toward all people and to always put God first in my life.

Who was the most important influence on you and why? My mom, for the reason listed above.

Why do you want to be an egg donor? While I've been contemplating donating for awhile, until now I had never felt the time was right. Lately, I believe that for various reasons I'm being called to donate and would hope that if I were to need a donor one day someone would do the same for me.

What message would you like to pass on to the recipient(s) of your eggs? Just that my donation is being made with a great deal of thought and love.

Are you open to donating to a single person? Yes

Are you open to donating to a gay person or gay couple ? Yes
