What's your favorite childhood memory?

I have so many wonderful childhood memories. I think the ones I cherish most are the family vacations that we took together. My mother has been the most influential person in my life. I have a very good relationship with my father but my mother being a stay at home mom was the one there for me to lean on and support me in all of my activities. She made sure we all stayed busy in sports and excelled in our academics. She taught me to be a strong woman and that I can do anything I put my mind to.

What awards/accomplishments are you and your family
