Tone:	Fair
Ability to tan:	I am able to build a tan
Freckles:	none
Acne:	Yes
At what age?	13

Describe your personality and character:	I am a calm, thoughtful and all around happy person. I rarely act without thinking things through and am always conscious of how my actions influence those around me.
How would you describe your childhood?	My childhood was fun and very full of activities. We hunted, went gold panning and enjoyed lots of time with my family.
What's your favorite childhood memory?	I remember learning to read and my parents and I would take turns reading to each other.
Who has been the most influential person in your life, and why?	The most influential person in my life is my mom because growing up with her working as a teacher gave me the chance to see what I would like to do for a career. It allowed me to see the challenges that come with it.
What awards/accomplishments are you and your family most proud of?	Earning my black belt in <u>Tae Kwon Do</u> was a very proud moment for my parents as well as instructing my own classes as a teenager.
Describe some of your hobbies and interests:	I like to be outdoors, fishing, hiking, and gold panning. In addition I love to read and learn new things.
What sports or activities have you excelled in?	I did very well in martial arts as a child and as a teenager. I also did well in softball and am a strong reading tutor at the local elementary school where I am doing my internship.
