Skin	
Tone:	Light
Ability to tan:	Yes, I have the ability to tan.
Freckles:	No
Acne:	Yes
At what age?	15

Describe your personality and character:	I would describe my personality as very responsible and tough. I am caring of others before myself. I am also a very family oriented person and I am a hard worker.
How would you describe your childhood?	My childhood was a very normal childhood. My parents did not have a lot but they were able to provide my siblings and I everything they could.
What's your favorite childhood memory?	My favorite childhood memory was when I turned 5 years old. My parents had a birthday party for me and I remember most of my family was there having a good time. I don't remember that much, but I remember everyone being happy.
Who has been the most influential person in your life, and why?	The most influential person in my life is my mother. She showed me to always be willing to try new things. She would tell me what's the worst that can happen? She also taught me to be independent, the value of money and to always work hard.
What awards/accomplishments are you and your family most proud of?	My parents were very proud of me constantly getting the student of the month award in grade school. My parents were also proud when I made the color guard team in High school. They enjoyed going to my performances.
Describe some of your hobbies and interests:	A few of the hobbies I enjoy are yoga, dog walking, cooking, gardening and spending time with my husband and family.
What sports or activities have you excelled in?	The activity I excelled in was color guard in High school.
Describe any	I played the trumpet in High school. I do not have any artistic
