Nick Name: Alice.

Do you speak any other languages?	Yes
What was your favorite subject in school and why?	Biology, I've always been interested in how life works on Earth.
Do you have any artistic abilities? Please list:	I play guitar, piano, and drums.
Do you have any athletic abilities? Please list:	I like to run and skimboard. I also play a lot of basketball.
What was your college major?	Biology
If you have over a 3.8 GPA, went to (or are going to) an exceptional University, received academic scholarships, or have above a Bachelors degree, please check this box:	Yes
What is your current occupation?	Student
What were your previous occupations?	
Please describe your personality:	Very open-minded, accepting, laid-back
Are you right or left handed?	Right
What is your favorite color?	Blue
What is your favorite food?	Chinese Noodles, Dim Sum
Do you consider yourself introverted or extroverted?	introverted
Who do you live with?	College friends
Do you have a significant other? If so, tell us how you met:	Nope
What are your hobbies?	Playing music, working out, reading, making crafts
Describe your perfect day:	A sunny, warm day at a Florida Beach, skiming boarding and playing volleyball. Then going out to dinner with a group of friends and hanging out afterwards on the porch.
Who is your hero and why?	Albus Dumbledore. He is the epitome of a sage and an honest, simple man.
If Steven Spielberg were filming a movie about your life, what famous actress would play you and why?	
What would you say is your biggest accomplishment in your life thus far?	Being a part of using Applied Behavioral Analysis techniques to redirect a child's Autism.

What do you hope to accomplish in your life in years to come?	I hope to get my master's in Environmental Conservation and also become a gigging musician. I hope to conserve much of the world's wildlife to ensure the health of the Earth's biosphere.
If you could meet anyone in the world, who would it be and why?	I would want to meet my "soul mate." I don't think there's anything more important than finding someone to fall deeply in love with and someone who will fall deeply in love with you.
Tell us about your most favorite vacation:	
If you could travel anywhere, where would it be and why?	To the Amazon. I hear about the dangers of this river basin and it exciting how much biodiversity is there.
What would you say is your biggest talent?	Playing guitar
Reason for becoming a donor:	To be honest, I need the money to help me study abroad in New Zealand. However, I feel an obligation to donate eggs because my aunt who found out she was infertile could not find the right egg donor and so didn't start a family. Hopefully I can help a couple out by being their best match.
Anything we have not asked?	

Donor Information

BECOMING A DONOR

How long have you been thinking about it?	A while, I donated once before.
Being a donor is a big responsibility. It requires going to several doctor's appointments, taking injections and having a minor out-patient surgery. Our office, the doctor's office, and your intended parent (s) will count on you to be responsible throughout the entire cycle. So you feel prepared to commit to this process? ↓	They are fine with it and are supportive of me.
How do your friends and family feel about your decision?	
What would you like to say to the couple who chooses you to be their donor?	Take good care of him / her and give it all the love you can muster.

Would you be willing to take a donor compensation of \$5,000 to help a couple who has been affected by the recession? It may help get you matched more quickly the first time and if you choose to come back and donate again, you would be considered a 'Previous' donor and would be given a higher fee?	No
Gifted Journeys strongly believes all loving and able couples or individuals deserve the chance to be parents regardless of sexual preference, marital status, ethnicity or sex of the egg recipient. Are you open to being matched with all types of families? If no, please explain:	Yes
Are you willing to meet your intended parent(s)?	No
Are you open to meeting the child in the future if that is requested?	No
Are you open to exchanging future contact information with your intended parent(s)?	No

FAMILY LIFE ↓

What were you like as a child?	I was quiet, but loved playing outside and following whatever my brother did.
What were you like as a teenager?	Ambitious, out-going, without a care in the world.
Where did you grow up?	Miami, FL
How would you describe your family life as you were growing up?	Cohesive. We always had dinner together and watched TV afterwards. There were fights, but family trips and outings stand out way more in my memory.
Do you have any siblings? If so, tell us about each of them:	Yes. I have an older brother who is a graduate student in Aerospace Engineering. He's less outgoing than I am, but we are very close. He's a thinker, that one.
Do you have any children? If so, tell us about each of them:	Nope
