Favorite Types of Exercise: Dance, Spinning, Circuit training, High Intensity cardio, Yoga, Kickboxing +

How would you describe yourself? +

I am very outgoing, bubbly, energetic person who's open to trying new things or taking adventure. I am positive person with a positive mind set. I have a very strong work ethic and am very ambitious and driven. I like to be active, eating, and doing outdoorsy things but I also like being a homebody sometimes. I like to laugh and have a good time where ever I am. I am quite spontaneous. I love my family and friends very much and will always support them. I am very loyal, hardworking, supportive, and caring. +

What would you say is your best personality trait? +

I would say that I am very ambitious and driven. Always give 120% +

What is your most unique quality? +

My most unique quality is that I work really well under pressure and that I always remain calm and collected in every situation. Even when I am not sure what I am doing. +

Describe yourself as a child: I was very athletic and loved to do sports, dance, and gymnastics. I always loved going to school and hanging out with friends. My family and I were close and we always got along and took trips to different places. We always fit in and made the best of every situation. I was always pretty happy and driven back then focusing on gymnastics. +

What did your parents teach you to value? +

They taught me to value love, friendship, and opportunities in life. That every decision you make and the relationships you have will influence your life and others. Respect is a huge one to value from others. +

Is there a person alive or dead whom you admire and why? +

I admire my mom because she is successful and she always believes in people. She always sees the silver lining and never gives up. +

Who was the most important influence on you and why? +

I would say my mom because she taught me a lot, she was someone who I admire and look up to. She was always around supporting me in anything I wanted to do. She believed the sky was the limit for me and wanted me to be happy and do amazing

things. She is that one person I can always turn to and talk with about everything. +

Why do you want to be an egg donor? +

I think being adopted has made me realize all the different life situations there are and being able to give back and have a positive effect on someone's life is something that I want to help in any way I can. I am a healthy, positive human being that sees an opportunity to help the +

unfortunate and also it is a great experience to do something this beneficial. +

What message would you like to pass on to the recipient(s) of your eggs? +

That I would like to help in any way that I can. I think positivity and possibilities are what make life amazing and so joyous. I see as opportunity to give back and also because my mom was someone who couldn't have kids and I think to me it has affected me to help. +
