Are you a good cook?..	I love cooking and I've been told I'm a great cook!..
Do you sing in the shower?..	I will sing in the shower once in a blue moon..
What's your favorite season?..	Summer!..
What's your favorite holiday?..	Fourth of July..
If you could be animal, what would you be and why?..	A cat or a dog. Both live domestically. A cat has more freedom but a dog is more social. Both would be fun to trade places with for a day..

Why do you want to become a donor?..	I think the most important thing in life is to help each other. The world has more love, health, happiness and a stronger future if each person remembered this. Being an egg donor is one example of this belief I live by. Helping is a huge part of what makes me happy. Other things that make me happy include spending time with my friends and family. We enjoy BBQs, traveling, camping, cozy house parties, music shows, trying new restaurants or any activity! When I'm by myself I love sitting on the couch with my dog watching my favorite shows or DVDs, painting and drawing, exploring the internet and social networks, going on walks, hikes, the beach and dog park with my dog or even cooking for myself. These are reasons why I wake up in the morning and live. I love life and everyone in my life. Life is the best gift and I feel my way of showing thanks is to HELP OTHERS..
Do you have a message you would like to share with the recipients?..	Happy Adventures in Parenting!!..
